

SIR DAVID BRAND SCHOOL

CONNECTED AUTONOMY

Every student, every classroom, every day
Our strategic directions for 2020–2024

Sir David Brand School is the hub of a dynamic community
CREATING RICH FULL LIVES for EVERY STUDENT.

Our aspiration is for every student to:

Unlock their full learning potential	Be equipped with contemporary and emerging work and leisure capabilities	Develop the personal and social attributes that form the basis for future wellbeing	Achieve year on year growth in their learning throughout their schooling	Be well prepared to take the step beyond school into work, training and leisure
--------------------------------------	--	---	--	---

Our strategic themes:

Understanding and meeting student needs	Highly competent and engaged professionals	Co-operative and respectful partnerships	Wellbeing, independence and resilience
---	--	--	--

Our improvement drivers:

Provide every student with a pathway to a successful future.

Build the capability of our high performance teams and allied professionals.

Explore connected autonomy as an Independent Public School in the public system.

Strengthen support for teaching and learning excellence in every classroom.

Partner families and their service providers to integrate therapy goals across the curriculum.

Use evidence to drive decision making.

Our success will:

1. Enable Aboriginal students to succeed as Aboriginal people	4. Empower students and their families with the support needed for informed choices.
2. Set students up to flourish through rigorous needs assessment and early intervention	5. Enhance health and wellbeing across the school community
3. Progress student self-expression and self-regulation	6. Ensure students gain the skills and knowledge needed to successfully transition to adulthood
